

## Pre-Requisites

Prior to the first day of class, applicants must be 18 years of age, possess a valid driver's license and have current CPR certification through American Heart Association. ACE can assist in obtaining certifications if needed; please contact the Program Director with any questions.

## Admission Requirements

### Application

All prospective students are required to submit an application on the ACE website. Applications will be considered for acceptance after all additional required documents are submitted.

### Immunizations

Students must submit proof of immunity and/or immunization prior to the first day of class. Some clinical sites may require additional immunizations for students

#### Required Immunizations:

- Hepatitis B series, complete or in progress (or declination acknowledgement form)
- 2021 Influenza Season Vaccination (or declination acknowledgement form)
- COVID-19 Vaccination

### Hepatitis B

Students entering the EMT Program must realize the potential for exposure to the Hepatitis B virus. Students must either submit a completed or in progress record of Hepatitis B immunization or must sign a declination form acknowledging the risk of Hepatitis B infection in a healthcare setting. Declination forms can be requested from the Program Director and must be turned in prior to the first day of class.

### Influenza Vaccination

ACE requires annual Influenza vaccinations. Students who decline the flu vaccine will be required to wear a surgical mask in class and while on clinicals during the months of October through February. Students who decline must also sign a declination form acknowledging the risk of Influenza infection in a healthcare setting. Declination forms can be requested from the Program Director and must be turned in prior to the first day of class.

### Covid-19 Vaccination

Students entering the EMT Program must obtain Covid-19 vaccination per federal healthcare guidelines. All students must have completed the first round of the vaccine before the first day of class and are to be fully vaccinated before starting clinical rides. All records of Covid vaccination must be submitted to the Program Director for the student's file.
